

Math Module Survey

As a result of your experiences with the math teacher and math class, fill in the following chart.

	Less likely	Same as before	More likely
1. I will take a math class in the next year.			
2. I will take a college class other than math.			
3. I will use the Math Learning Center.			
4. I will learn about math classes that I need to take for the degree or certificate program I am interested in.			

	Disagree	Somewhat Disagree	No Opinion	Somewhat Agree	Agree
1. The math instructor visit was useful.					
2. The visit to the math class was useful.					
3. I learned some math when the math teacher visited.					
4. I learned some math in the math class I visited.					
5. I have a better understanding of tuition and fees for college classes.					
6. I have a better understanding of the math class sequence at GRCC.					
7. I would feel comfortable taking a GRCC math class within the next year.					
8. I could understand the math instructor when he/she spoke.
